## Approval and Funding for “DIVINESHIELD” - Women Safety Startup

We are pleased to inform you that your startup, ‘DIVINESHIELD’, dedicated to women's safety, and inspired by “DEBDUTTA”, has been officially approved and granted funding by the government. This decision reflects our commitment to supporting innovative initiatives that address crucial societal issues.

As a government-funded startup, ‘DIVINESHIELD’ will receive the necessary resources and support to thrive. We are excited about the prospect of collaborating with your team and are committed to providing guidance and assistance every step of the way.

Please accept our heartfelt congratulations on this achievement. We look forward to witnessing the positive change that ‘DIVINESHIELD’ will bring to our communities.
